

WE SINCERELY DEDICATE THIS YEARBOOK TO

MR. WILLIAM (RIP) KLUFAS

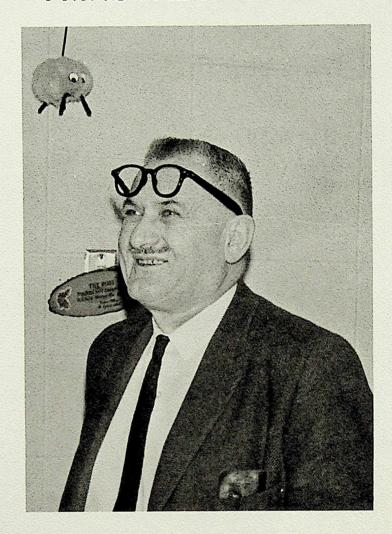

The special pride and esteem Hillcrest enjoys today, it owes to Mr. Klufas, a man whose vitality and enthusiasm have overflowed into the student body and prepared us to face life with the same honesty and forthrightness that he possesses. Each student who has passed through Hillcrest has received the same attention, understanding and respect from him.

Our sincerest hope is that in years to come Hillcrest will continue along the same path on

which Mr. Klufas started it.

Any verbal tribute to this great man falls short of our feeling for him. However, the way Hillcrest graduates can thank Mr. Klufas is by being living examples of what he has taught us. We wish him every success and happiness in the future.

PRINCIPAL'S MESSAGE

The Junior High School has had external examinations for as long as I can remember (Department of Education final examinations set by an agency of our Provincial Government).

Because we have been subjected to academic examinations does it mean that this is right? I submit that some children can be examined for abstract reasoning - for truths and half truths but some children are unexaminable as far as "regurgitation" and abstracts are concerned. But these very children may have special talents: man's humanity to man - their loyalty - their warmth of feeling and their kindness - their full family love - and love of the world about them.

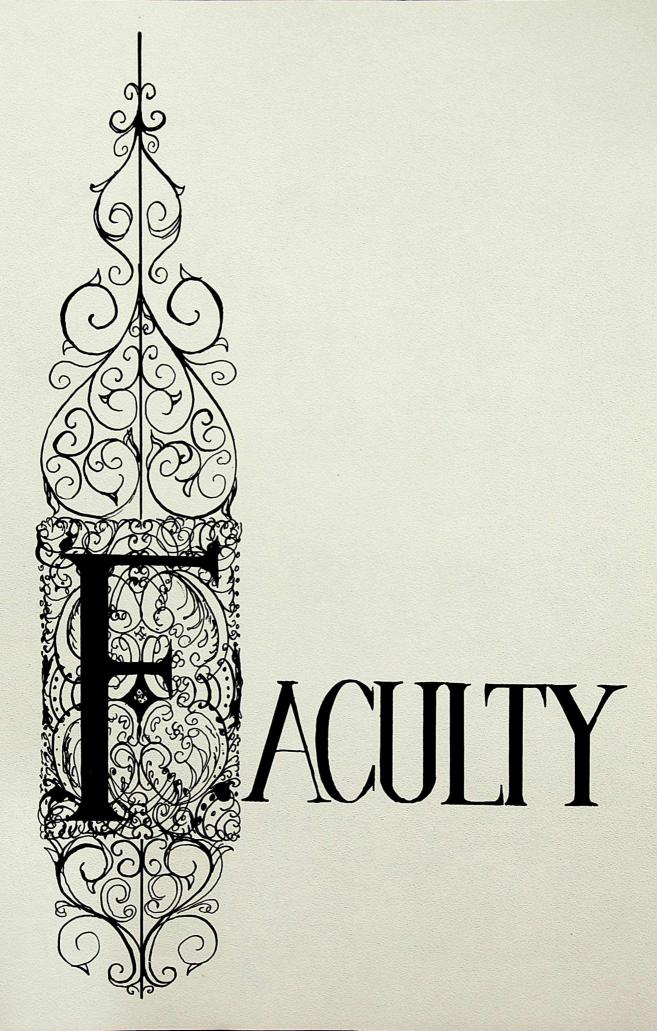

These areas are unexaminable but does this mean that the latter mentioned are less im-

portant? Perhaps these qualities are more important than the abstracts that can be measured. Surely students possessing the latter qualities are not inferior creatures - surely they are

not failures.

Can we as adults say and think that education today should be the kind of thing that we ex-

This is something that we are not sure of, but we should be looking to a change where education might mean Love, Learning and Life.

PRESIDENT'S MESSAGE

It is with great pleasure that I look back upon this school year. It appears as though 68-69 was as great if not greater than any previous year. Our school bands are now amongst the best Junior High bands in the city and our school athletic teams are gaining respect from other schools. Our school spirit and activities do not appear to have suffered from the loss of 250 students to other new schools. All this plus the fact that we have one of the best teaching staffs makes Hillcrest a remarkable school.

TOMORROW WE'VE GOT TO GET

A FAREWELL TO MR. KLUFAS

We'll know that when you've gone, We've lost a very good friend, And remember the times we've had, When we've hashed it to the end.

Though the years have sped by quickly, I'm sure you will realize too,
That it's worth the extra minutes—
Just Mr. Nicholson, (me), and you!!

Behind you'll leave a school, That you're proud to say its name, And will stand deep in your memory, From the day to it you came.

So remember this; If the school you miss--

Down the hall, Not a corner to turn, You'd walk around, With much concern,

The paddle in one hand, Glasses on brow, The call went up, "Beware" or "Pow"!!

Not a peep was heard, As you sauntered by, But when you'd gone, Much was the sigh,

Back to what, Was done before, And wait again, Till you were sore,

So Mr. Klufas--We'd leave a hall, That was cleared of noise, For once and all!!

The only problem, Which we now face, You've left our school--That is the case.

So now instead, We wish you the best. And come back soon As our "Honoured Guest"!!

Mr. Nicholson:

Two years ago
You came to our school
To help enforce
The "golden rule"!

With paddle in hand And pipe well lit You prowled the hall For a mischievous "Dick".

The months sped by The year went too Then a new job came In line for you.

So now the paddle You leave behind And substitute The Telephone line.

And now a tribute We want to pay Good luck, best wishes Through every day!

Mr. Taylor:

Student Advisor you were before Now you'll make a few hands sore. Although it will be kind of rough And your new job may well be tough We're sure you'll fit well in the chair As if you had been always there So to Mr. Taylor, our new V.P. We leave a job "not" trouble-free!!

"THEY'LL GRADUATE WITH US"

- 9-1 Mr. L. Smith -Mr. Smith your classes were long and deep

- 9-2 Mr. G. Morley -Mr. Morley you're here in ice and snow

- 9-4 Miss F.E. Murray --To Miss Murray we dedicate Kids prepared and never late!!
- 9-5 Mrs. P. Reynar --To Mrs. Reynar who will sometimes yell To us we know you do mean well.

 We leave you equipment that isn't dumb!!
